Dear Friends,

The Brotherhood at Temple Israel is more than just a group — we are a welcoming, multigenerational community built on the values of camaraderie, service, and Jewish tradition.

We hope to gather regularly to share meaningful conversations, celebrate life's moments, and support one another through challenges and growth. Whether it's discussing family, health, finances, or simply enjoying time together, the Brotherhood offers a space where men of all ages can connect socially, spiritually, and even professionally.

Our events range from casual get-togethers to thought-provoking discussions and community service projects. Every voice and perspective strengthens our group, and we would love for you to be a part of it.

If you've been a member before, we invite you to rejoin. If you're new, we warmly welcome you to join us for the first time. Your ideas, energy, and presence can help shape a Brotherhood that continues to make a positive impact on our Temple and beyond.

You determine your own level of participation—fully involved, occasional involvement, or only if you just want to support Brotherhood by paying dues. Every Temple Israel member who identifies as male is eligible to be a Brotherhood member, including non-Jewish partners. We are here to support the congregation, but we are also here to support one another — each individual or family, whatever the need may be.

Let's build something meaningful — together.

L'shalom,

Bob Zuckerberg, President, Brotherhood of Temple Israel. **Zuckie15@aol.com** **917 796 1317**

Brotherhood membership is open to all Temple members who identify as male, including non-Jewish spouses and partners. First-year Temple members are free for the year you join. Members are invited to the Brotherhood/Sisterhood Breakfast on Sunday, September 7th.
