

Shalach Manot

Sisterhood of Temple Israel is happy to provide you with the unique opportunity to fulfill the mitzvot of Purim this year...

Rejoicing, giving Tzedakah (charity) and sending gift packages known as Shalach Manot. What a wonderful way to honor your Temple Israel friends while supporting our synagogue!

Each recipient will receive one lovely gift package with the names of all those who have honored them with their donations.

If you would like to be included in the mitzvah of sending Shalach Manot to our Temple Israel families, you may do so by becoming a patron, making one donation in the amount of \$180.00.

We hope patrons attend Erev Purim services but will arrange to get their gift to them if they cannot.

An \$18.00 donation will honor an individual member family with your name on their gift.

One Shalach Manot gift package will be given to each temple family present at Erev Purim Services on March 2, 2026.

We can only accept orders for Temple Israel families at this time.

As in the past a portion of your donation will help support charitable organizations in Israel.

Please make your checks payable to Sisterhood of Temple Israel.

Please mark your envelope & note your check Attention: SHALACH MANOT
