Jodi

Thank you, Sisterhood and Brotherhood, for everything you do. There would be no Temple Israel without you!

Jodi, Alan and Jesse Siegel

Our Sisterhood was formed as a natural outgrowth of our need and our desire to be together. As a viable group, we have embarked on many projects, in the spirit of fun and sharing while benefiting our temple community as well as the greater community in which we live. Naturally, not everyone is interested in the same things or to the same extent. But one thing is certain, we are all unmistakably sisters--sisters by choice, by design, by destiny; sisters in our hearts. And no one and nothing can ever weaken the bonds of love and friendship that keep us fused together as one.

Jodi Siegel and Shariann Ganz
