Thinking of you, BEVERLY MAZER.

Jodi Siegel

Words cannot express my emotions and thanks for the lovely dinner last week.

It was certainly a "love fest"! (and I loved it!) The sweet sharing of memories will stay in my heart forever.

The necklace is so amazing. I love even the idea of it. I will sense you all as I wear it.

Leaving is so difficult. This community is my chosen family so I will be back to visit and get hugs.

You are all so special. Much love, thanks, and respect. Phyllis

Dear Jodi, Thank you for your planning, doing, thinking, handling, of everything!

The thought of doing it, the place, the setting, the menu, and the complete program of the evening was fabulous.

I am especially touched by the beauty and significance of the necklace. It will always remind me of you and the best chosen

community, women and men, anyone could have. I knew I was "home" when I first walked into Temple. I am still HOME. Love and hugs, Phyllis

As I light the Shabbat candles tonight, I am honored again to be part of this wonderful community.

I will keep all of you in my heart no matter where I am. Hugs, Phyllis
