# We Mourn Our Loss

**Janet Aronson**  
**Lucille Chazanoff**  
**Erica Greenbaum**  
**Irwin Magnus**  
**Maurice Schlestein**

*May their souls be bound up in the bond of eternal life.*

## PRAYER

I set the Lord before me at all times; since He is at my right hand, I shall not be moved. Therefore, my heart is glad, and my spirit rejoiceth; yea, my flesh dwelleth in security. For thou wilt not give me up to destruction; nor wilt Thou suffer Thy beloved to see corruption. Thou wilt show me the path of life; in Thy presence is fullness of joy; at Thy right hand are pleasures forevermore.

## ***In Memoriam***

Memory is the treasure of the heart, the nobility of the soul. The image of our Dearly Beloved abides with us through our years. The love, the devotion, the sacrifice of a father and a mother; the loyalty and the tender affection of a husband and a wife; the help and companionship of brothers and sisters; the supporting arm and the inspiration of friends; yes, even the sad remembrance of a child; all fill the Memorial Hour with blessing.

Love is stronger than death! Love is immortal! Never shall we be cast down! For love and tenderness have enriched our lives! Love and tenderness have warmed our hearts! Love and tenderness have lifted our souls in gratitude and joy!

May God bless our Dearly Beloved who have departed from life! May they ever be in His keeping.

May God comfort our sorrows and ever protect us with faith.

## ***We Remember Them***

At the rising of the sun and at its going down,  
we remember them.

*At the blowing of the wind and in the chill of winter,  
we remember them.*

At the opening of the buds and in the rebirth of spring,  
we remember them.

*At the shining of the sun and in the warmth of summer,  
we remember them.*

At the rustling of the leaves and in the beauty of autumn,  
we remember them.

*At the beginning of the year and at its end,  
we remember them.*

As long as we live, they too will live;  
for they are now a part of us,  
as we remember them.

*When we are weary and in need of strength,  
we remember them.*

When we are lost and sick at heart,  
we remember them.

*When we have joy we crave to share,  
we remember them.*

When we have decisions that are difficult to make,  
we remember them.

*When we have achievements that are based on theirs,  
we remember them.*

As long as we live, they too will live;  
for they are now part of us,  
as we remember them.

## **YEISH KOCHAVIM**

THERE ARE STARS up above,  
so far away we only see their light  
long, long after the star itself is gone.  
And so it is with people that we loved –  
their memories keep shining ever brightly  
though their time with us is done.  
But the stars that light up the darkest night,  
these are the lights that guide us.  
As we live our days, these are the ways we remember.
