**IT IS OUR DUTY TO REMEMBER THE SIX MILLION**

*The world has changed since Auschwitz seared its images upon unbelieving eyes and ears. The decisions we make, the values we teach must be pondered not only in the halls of learning, but also in the house and on the street.*

*(from Gates of Prayer)*

**IT IS IMPORTANT TO RECOUNT THE HISTORY OF THE SHOAH:**

**EVA KOSTRE – FROM THE CAMPS TO THE USA:**

The story of a teenager from Trzcianne, Poland who survived Auschwitz and Ravensbrück and came to the United States after liberation – her journey from Poland through the terrors of the camps to her new home as told by her granddaughter, Farah Kraus.

Join us for an evening of learning and remembering as Farah Kraus tells the story of her family's experiences in the Shoah. Farah is a member of 3GNY – the 3<sup>rd</sup> generation of Holocaust survivor families dedicated to relating the Survivor stories of the Holocaust.

Her presentation will be preceded by a brief overview of the new Staten Island Holocaust Center.

The session will be followed by a pause for refreshments & conversation, and then we will hold our annual Yom HaShoah commemoration service.

Recommended for children in 4<sup>th</sup> grade and older.
